TrexMob.ir

Mercy can only be given in the third round of each match just after the announcer says "Finish Him/Her". Then hold RUN and hit D,D,D,D, and release RUN.

Babalities & Friendships can only be performed if you have won the match without using the BL button.

Animalities can be performed only if you first show Mercy to your opponent, then enter the appropriate ketstroke.

Stage fatalities can be performed on the Scorpion's Lair, Shao Kahn Tower, Subway, and Pit 3 stages.
